Benefits & Support from

invites interested entrepreneurs / companies/institutes/ngo/college, to join hands with us in this unique mission and help to create a digitally enabled nation. For the purpose of expanding our educational venture, we require Franchisees across India, and we usually opt for an existing Computer Centre equipped with all infrastructure including classrooms, computer laboratories and faculty

Being a part of NITM Group of Institution, the largest technical and management education network itself is a major Advantage for the franchisee. NITM provides benefit like:

- NITM Group of institution is known for launching colorful schemes throughout the year which will attract students and will benefit the centers.
- NITM is backed by a sound Technical team in supporting and assisting the franchisees for solving all technical problems

Training the faculty to handle theory and lab sessions for technical & Management courses.

- The launching of latest courses and computer topics will be taken care by the Admin office according to the latest trends in IT industry

NITM has tie-ups with leading company/organization

If you are part of NITM family, we are always there to support you and assess you by 24X7. Initially we will support you and your centre for achieving the target number of students and for helping you run your centre smoothly

Becoming a NITM business partner offers business opportunity to work with institutes through a formal framework that unites the institute and business in a sustainable collaboration. There are many key benefits in choosing partner with a business including engaging with young people and potential future employees and developing relationships that can enhance long-term brand recognition. Opportunities to engage in your local community, sharing expertise and skills with local institutes.
